The Committee of the Black Country Memories Club would like to thank the management and staff at "Gazebo" for their continued support, and a special thanks to all Club members for your continued support.

If you would like to help out at any of our events, please do let us know, helpers are always appreciated.

We hope you will find this year's programme interesting and informative and we look forward to seeing you during 2016.

You will notice that we have managed to keep our membership fee of just £3, yet again.

The Black Country Memories Club must surely be the cheapest the biggest, and of course the best local history group by far.
